CHLOROFORM BURGLAR CAUGHT

Negro in Brooklyn Had Combination Jimmy, Pawn Tickets, a Candle and Other Things When Arrested by the Police.

CARRIED A BIG REVOLVER.

Charged with chloroforming Daniel O'Tatum and his wife and robbing their home at No. 362 Adelphi street of silverware, clothing and jewelry valued at \$70, Alexander Zeno, a negro, was arraigned in the Myrtle Avenue Police Court, Brooklyn, to-day. He was captured at 1 o'clock this morning in front of his home, No. 425 Prince street, by Capt. Baldwin and Detectives Boyle and Conroy.

On Tuesday night some one obtained entrance to the O'Tatum residence by cutting the glass in a basement window and slipping the catch. The burglar went to Mr. O'Tatum's bedroom and took \$30 from his trousers pocket. Then he helped himself to the jewelry on the dresser and leisurely ransacked the rest of the house. The O'Tatums heard nothing and the police think they were chloroformed.

Some of the goods were found in a pawnshop, and in this way the police traced the crime to Zeno. They watched for him this morning and caught him entering his home. He was seen to hand something to his wife and to put something in his mouth when he saw the police.

Capt. Baldwin choked him until he spat out what he had in his mouth. It proved to be a pawn ticket for one of Mr. O'Tatum's overcoats. After Zeno was subdued he was searched. His pockets yielded a number of pawn tickets, a small bottle of chloroform, two silk handkerchiefs, a glass-cutter, a candle and a combination Jimmy and screw-driver, folding together like a foot-rule, which the police say is to them a new burglar tool.

Zeno's wife gave up loaded revolver, which he had passed to her when he saw the police heading for him. The house was then searched.

Four of Mr. O'Tatum's cut-glass decanters, several umbrellas and canes, a lot of silverware and an overcoat were found. There were also a number of pawn tickets, and a bottle containing half a pound of chloroform.

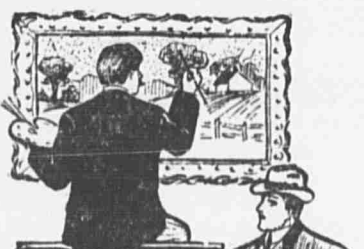

Mrs. Zeno denied knowing anything about her husband beyond the fact that he worked at night.

Zeno was held in \$1,000 bail in the police court to await the action of the Grand Jury. He waived examination.

The house of the Countess Habsba, in DuPont street, Brooklyn, was entered on the night of Nov. 22. A big watch dog made no disturbance while the burglar was at work, and the detectives believed that the dog had been chloroformed. They accused Zeno, of the burglary to-day and he admitted it. It was denied that he had chloroformed the dog.

He Lost \$300 Bank Deposit.

WASHINGTON, Dec. 19.—Harry E. Gump, twenty-four years old, was arrested yesterday on a charge of grand larceny, by the New York City police. Gump says he was given \$300 in cash in a bank at Rahway, N. J., last night.

LYNCH INDICTED FOR HIGH TREASON

Irish M. P. Will Be Called to the Bar to Answer for His Transvaal Record.

LONDON, Dec. 19.—The Grand Jury summoned to consider the indictment of Col. Arthur Lynch, member of Parliament for Galway, who was arrested June 11 on landing in England from the continent on the charge of high treason in connection with the part he took in the South African war, where he is alleged to have commanded the Irish Brigade, returned a true bill to-day against the defendant.

The Lord Chief Justice, Baron Alverstone, in charging the jury remarked that it was sixty-two years since a Grand Jury had to deal with such a charge, which was the highest crime known in law. Col. Lynch's trial at the bar is expected to begin Jan. 20.

DEATH ENDED FAMILY FEUD.

Gas Killed Man Who Lived Apart from Wife in Same House.

The Coroner in Queens Borough to-day asked the Jamaica Police to investigate the death of George Goepfert, of Jamaica and Van Wyck avenues, Long Island, who was smothered to death last night in his bedroom by gas.

Goepfert had not lived with his wife for years although they occupied the same house. Mrs. Goepfert told the Coroner that her husband was in the best of spirits last night when he retired and that she is unable to assign

any reason for suicide.
